PM-15 BZ Touch Monitor

The PM-15 BZ TFT monitor has an impressive resolution of 1024 x 768. With its bezel-free, slim dimensions and elegant design it completes perfectly the 15" POS range of Partner Tech.

Its On-Screen Display-Features simplifies working processes and also contributes to its ease of use. The built-in optional speakers make this terminal ideal for multimedia applications, too.

The adjustable monitor of the PM-15 BZ can be perfectly set for an ideal viewing angle, making it extremely practical. By removing the stand, the VESA mount allows flexible integration into checkout solutions.
